

## Larry Sauls & Friends

### 12th Annual Larry Sauls & Friends TOY DRIVE FOR KIDS

Larry Sauls and Friends (LSAF) had a great 2017, raising \$65,000 from amazing supporters like you and our new friends found by Josh Trees hitting Ellis County. This year with your support and more new friends, we hope to pass the \$100,000 line.

Academy Sports and outdoors is back and has donated not only a trailer but \$8,000 of merchandise for the toy drive! With other \$5,000 sponsors, we hope to reach our goals and fill another trailer with new names on the side!

LSAF had our first clay shoot this year. It had a great turn out and raised \$3,000 so a great start for future events like this!

We now have a new website to take our charity to the next level! You can keep up with events, donate directly online, and see previous events. I stepped out of my comfort zone and partnered with Avail interactive. They are handling all the site updates and helping the charity to reach more people. These guys are great, if you need a website contact them!

#### ABOUT THE CHARITY

I believe our success has been driven by donors able to see their donations being distributed on the news and knowing their money was used for what it was intended for. But what you don't see is the money being used for the local food pantries of Kaufman and Ellis counties. When we deliver food to these agencies it at a no cost basis, so it is 100 % free to them. So when you see us on the news you know that we are just not about the toy drive we are about making sure people are not going hungry in North Texas. Also if any donor has special request or pantry they would like to support let me know. We want to help all the people we can. Without your support LSAF would be a pick up load not 6 tractor trailer loads.

*Thank you for supporting LSAF*
